- Your donation will enrich the musical opportunities of approximately 200 students a year.
- All band/orchestra programs combined cost approximately \$150,000 annually.
  - Instrument purchases/repair/maintenance, instructional staff, festival/competition fees and enrichment activities like guest artists.
- School District funds and family donations can't support these programs alone.
- In return we provide visibility of your generous support throughout our community!

Gold, Platinum and Diamond levels will also receive shoutouts on our social media platforms throughout the year and will have opportunities to have logos displayed at home basketball games on the video scoreboard.
